

# New Surface Mount Products For ESD Protection Application

## ► Features

Small Outline Surface Mount Package  
Low Capacitance For Data Line ESD Protection  
Low Clamping and Operating Voltage  
Low Leakage Current  
Fast Response Time  
Solid State Silicon Avalanche Technology  
RoHS Compliant  
Epoxy Case Meet UL 94V-0 Flammability Rating

SOT-23

SOT-23-6L

## ► Applications

Cellular Handsets and Accessories  
Notebook USB2.0/IEEE 1394 ports  
Personal Digital Assistants(PDAs)  
DVI Interfaces  
Wireless Data Systems  
Digital Cameras  
MP3/4 Players

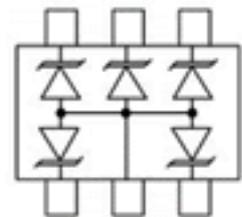

SOD-523

SRV05-4  
SRV0505

SOT-563

**Micro Commercial Components Corp.**

**Keep Innovative----**

**MCC design new products for cost-demanding applications**

 <http://www.mccsemi.com> <http://www.mstsemi.com>  [sales@mstelectronic.com.tw](mailto:sales@mstelectronic.com.tw)

► **Features:**

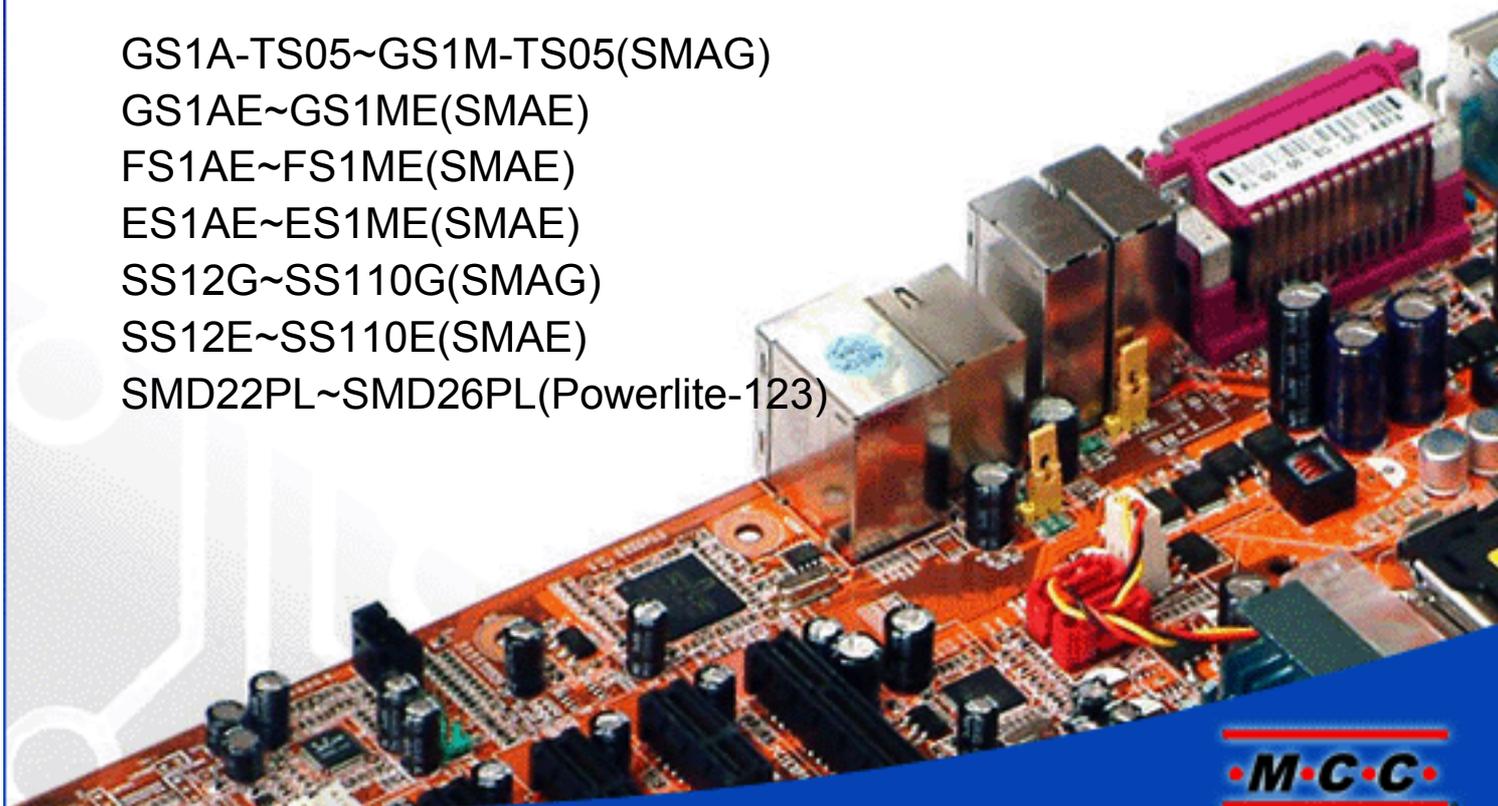

Very Competitive Price and High Reliability.  
Small Outline Surface Mount Packages.  
New Design Packages Compatible With Industrial Standard.  
Epoxy Case Meet UL 94V-0 Flammability Rating.  
RoHs Compliant.  
For General Purpose Rectification.

► **Availability:**

Samples Now Available  
Production : 6 Weeks

# MCC Introduce New SOD-123 and SOD-323 Package Zeners

 <http://www.mccsemi.com> <http://www.mstsemi.com>  [sales@mstelectronic.com.tw](mailto:sales@mstelectronic.com.tw)

## ► Features:

Competitive Price and High Reliability.  
Package Designed for Optimal Automated Board Assembly.  
Wide Zener Voltage Range.  
Epoxy Case Meet UL 94V-0 Flammability Rating.  
RoHs Compliant.  
For General Purpose Voltage Regulation.

## ► Applications:

PDA  
Digital Camera  
Note Book  
DC/DC Converter  
Cellular Handsets and Accessories

## ► Availability:

Samples Available In Jul-2007  
Production : 6 Weeks
